

BMN34 - EPSG: 31259

2543/2

An aerial photograph of a forested area. A yellow survey boundary line is drawn across the image, intersecting a red rectangular boundary in the top right and a green irregular boundary in the bottom right. The text '2574/3' is located in the top left, '2565/16' is in the top right, and '2565/11' is in the bottom right. The background shows dense green vegetation.
